

Determine Size!

FINISHED SIZE = Measurement from end of buckle on current belt to best fitting hole.

Finished Size

? ? ? ? ?

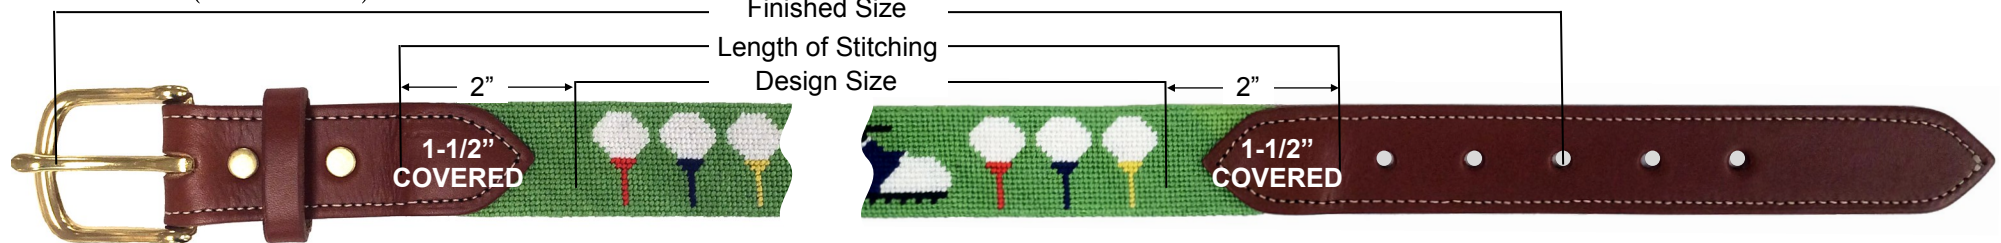

NOTE: Needlepoint belt size is NOT the same as manufacturer's size or pant size.

Choose Buckle Style

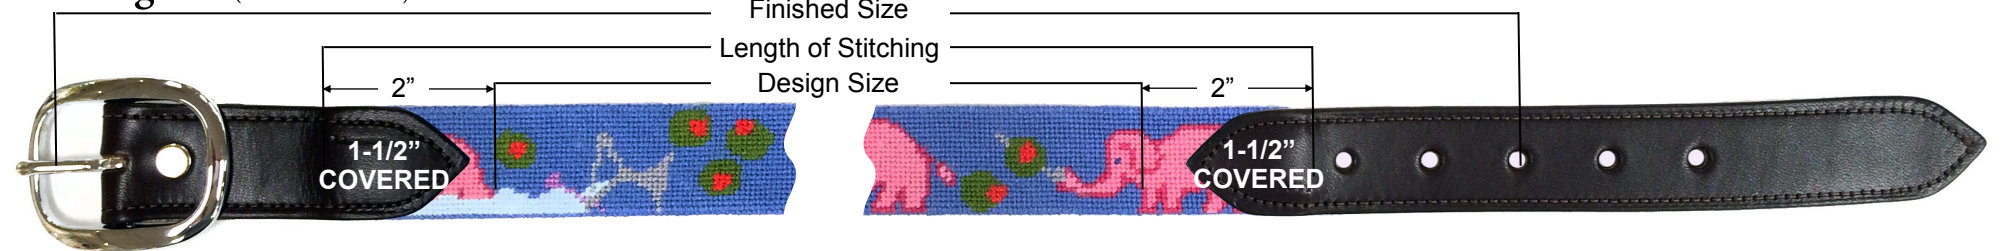

Brass (Gold or Silver)

Length to Stitch = FINISHED SIZE minus 6".

Regular (Gold or Silver)

Length to Stitch = FINISHED SIZE minus 4".

Add Turn Rows

The stitched width of the belt **MUST** include turn rows. These extra rows will be rolled under in the finishing process and some will be unseen. (See edge of belt on left.) We do not suggest a binding stitch.
For recommended STANDARD 1-1/4" wide finished belt, stitch 1-1/2". (A child's belt may be narrower.)
For finished widths of 1", 1-1/8", or 1-1/2", stitch the desired width plus 2 extra rows on top and bottom.
NOTE: Painted belt widths vary greatly, so you will need to measure.

NOTE: BASKETWEAVE IS THE PREFERRED METHOD FOR STITCHING BELTS
