Checklist

Please check your belt carefully before shipping to avoid added expense or delays in finishing. Consult the belt finishing instructions and the leather/buckle photos, both available on our website, if you have any questions. Call if you still need help.

- Did you include turn rows in width stitched?
- Is your needlepoint length 6" less than finished size for brass buckle or 4" less for regular buckle?
- Did you verify the finished size? Measure a currently fitting belt from tip of buckle prong to most used hole.
- Did you trim all of the yarn tails from the back?
- Please double check the form to make sure it is complete and legible.
