“Because of the generosity of our shoppers, we were able to award grants to 17 deserving organizations this year” commented Sarah Mudd, President of Sign of the Arrow. “Sign of the Arrow thanks each and every one of our customers for their continued support which has resulted in our ability to help these worthwhile agencies.”

Any shop volunteer or Pi Phi alumnae can nominate their favorite agency to receive a grant from Sign of the Arrow. The agency and sponsor then submit a grant request specifying, in detail, how funds would be used, should they receive a grant. Then, Sign of the Arrow’s Philanthropy Committee meets to decide which agencies receive grants. Careful consideration is given to each applicant.

In addition to awarding grants at this year's brunch, Sign of the Arrow recognized volunteer Pris Gunn who, for nearly 50 years, has given her time and talents to the shop. Pris was involved from the very beginning, serving on the planning committee to expand from a fundraising carousel in Tilles Park to a nonprofit shop. "We are so honored to recognize Pris today" says Mudd. "Her dedication and willingness to take on so many roles over the years helped us become the shop we are today."
